Damisi	F	12/13/2005	Mother reared. Tall, slender, with small head and ears and a dark coat. Enjoys keeper attention. Likes likits, jugs and all puzzle feeders. Ultrasound and blood collection trained; first okapi to voluntarily participate in collection for plasma banking.	Born Dallas Zoo, arrived Columbus 2007.
Matoke	M	4/12/2012	Matoke is Swahili for 'plantain.' He is a friendly okapi who enjoys interactions with his care team and loves his time in the yard. Came back to Columbus to breed with Damisi.	Born Columbus to Miliki and Karatasi (deceased). Went to San Diego Safari Park, returned Columbus 5/17/22

CONGO JANUARY 2025

NAME	M/F	BORN	NOTES	HISTORY
<p>GORILLA (Western Lowland) <i>Gorilla gorilla</i> IUCN Status: Critically Endangered MLE 32.7 YRS (M), 39.1 YRS (F)</p> <p style="text-align: center;">Zoo Nutrition:</p> <p>Mac & Kamoli groups - Biscuits created for zoo primates, greens (lettuce), browse, vegetables, small amounts of fruit based on animal weight, starch balls and popcorn</p> <p>Ktembe's group - Lettuce, browse, green beans, small amounts of banana and apple based on animal weight, starch balls (Sue gets a small number of biscuits while she is nursing)</p>				
Baron Macombo II (Mac)	M	10/26/1983	Silverback. Foster to Mo'ana, Kamoli, Kamina, Zahra, Kwame. Father to JJ. Enjoys being near the younger gorillas.	Born Columbus, twin of Mosuba (NCZ), Grandson of Colo; born to Bridgette and Oscar.
Kinyani	F	3/16/1983	Red hair on head and back. Kinyani is deaf. Had foster relationship with Kamoli. Tends to keep to herself but can be seen by Tabibu or Mo'ana.	Born at Yerkes in GA., was introduced to Ivan at Zoo Atlanta
Tabibu	F	4/30/1992	Mother of JJ. Dark hair and dark, shiny face. Was dominant female in group when raising JJ, happy in her more subordinate role.	Born at LPZ in Chicago, arrived Columbus 2012.
Mo'ana	F	10/20/2001	Shorter female with grey hair on her back. Likes to sit at the window and interact with the visitors. Will hang with Tabibu and Kamina.	Born OKC, came to Columbus when she was 1, entered foster program. Raised by Sylvia, Nia and Mac.
Kamina	F	8/16/2014	Darker color with silver side burns. Loves to work at the enrichment feeders. As she grows older, spends less time with the kids.	Born OKC. Fostered by Toni and Mac. Spent time in Cincinnati before coming to Columbus.
Sully	F	11/24/2014	Mother of Kwame. Red back and head, has a bit of a sway back. Currently the dominant female in Mac's group.	Born MCZ. Same Sire as Zahra. Came to Columbus with Dam Shalia 2019
Zahra	F	9/9/2017	Youngest of the 'big girls.' Grayish hair, a larger female for her age. Half sister of Sully, enjoys her auntie roll with Kwame.	Born MCZ, arrived Columbus 2018 after parents died of bacterial infection. Foster raised by Toni.

CONGO JANUARY 2025

NAME	M/F	BORN	NOTES	HISTORY
Kwame	F	7/13/2023	Kwame is a young and confident gorilla. Spent time being 'mothered' by Kamina and Zahra when younger. Very independent.	Born Columbus to Sully and Kamoli. First offspring for both.
Kamoli	M	5/23/2013	Large, growing male; getting a red color saddle. A blackback but on his way to becoming a silverback. Playful gorilla, very social when in Mac's group.	Born Columbus to Kambera and Oliver. Foster raised by Pongi (died), Toni (died), Kinyani and Mac.
JJ	M	9/28/2016	Smaller of the 2 boys. He enjoys initiating play with Kamoli. Dark coloring,	Born Columbus to Tabibu and Mac (Mac's only biological offspring).
Ktembe	M	3/13/1997	Relaxed silverback. Being in a bachelor group, didn't have experience with females but they showed him the way and has turned into a good leader.	Born at the National Zoo. Came to Columbus from a bachelor group in Omaha.
Casode (Cassie)	F	8/16/1993	Mother of Jamani and Nadami (MCZ).. Dominant female in the group. When she was an infant, she lost her right thumb.	Born Columbus to Pongi (wild born) and Oscar. Mother raised.
Nia	F	12/21/1993	Nia is stocky with spiky hair. Life her 1/2 sister Mo'ana, she will cup her ears. She can be playful with her keepers.	Born OKC, arrived Columbus 4/94. Raised by Sylvia and Mumbah in the foster group.
Sue	F	9/27/2004	She is thinner than the other females in the group with white sideburns. Her hair is thin and looks a bit shaggy. She is a good first time mom to Mara.	Born LPZ, arrived Columbus 2/14 to observe a mother raising a baby.
Jamani	F	4/15/2020	Playful gorilla, interacts with all in her group. Prior to the birth of Mara, was good at entertaining herself, now focused on Mara.	Born Columbus to Cassie and Ktembe. First offspring for Ktembe, 2nd for Cassie.
Mara	F	6/29/2024	Very popular with all the females in her group. Originally held very closely by Sue, no spending more time with Cassie and Jamani.	Born Columbus, to Sue and Ktembe. First offspring for Sue, 2nd for Ktembe.

CONGO JANUARY 2025

NAME	M/F	BORN	NOTES	HISTORY
ORANTUGAN (Bornean) <i>Pongo pygmaeus</i> IUCN Status: Critically Endangered MLE 27.8 YRS (M), 37.6 YRS (F) Zoo Nutrition: Leafy greens, vegetables, alfalfa hay and minimal amount of fruit <i>(Located in the Australia and the Islands Region)</i>				
Sulongo	M	6/19/1993	Sulongo has flanges which distinguishes him from the females. He enjoys training and being challenged by his keepers. He loves his female companions.	Moved to Columbus from Zoo Atlanta where he sired 3 offspring; 1 did not survive
Dumplin	F	7/21/1974	Dumplin is one of the oldest Bornean females in NA. She has never produced off string though enjoys interacting with Clementine. Her coloring is a lighter orange than Khali.	Moved to Columbus in 2013 from zoo in Jackson, Mississippi.
Khali	F	5/13/2006	Pronounced 'Cah-lee' meaning 'free spirit'. Loves water, likes the splash pad and spraying her face with water from the lixit. She also likes to put a stick in the lixit to keep it going. Enjoys covering herself with sheets/burlap	Moved to Columbus from Toledo in 2018. offspring of Boomer and Kutai.
Clementine	F	11/28/2023	Clementine is still very dependent on Khali and will be for 7 -8 years. She enjoys walking around on her own, usually heading towards Dumplin.	Born Columbus to Khali and Sulongo. First Orangutan born in Cols in 60 years.
